

Asia-Pacific's Leading ICT Companies Honored at Frost & Sullivan's 2018 ICT Awards

Singapore, August 15, 2018 – Asia-Pacific's top ICT firms were celebrated at Frost & Sullivan's annual ICT Awards held at the Shangri-La hotel in Singapore earlier this evening.

Arkadin Cloud Communications, Equinix, Huawei and Singtel were amongst the outstanding companies recognized at the gala event, now in its 15th year.

Mr. Ajay Sunder, Vice President, Digital Transformation, Asia Pacific at Frost & Sullivan said the ICT awards have continually identified and recognized the best-in-class companies that demonstrated excellence in the ICT sector.

"We realize it is critical to highlight best practices and honor companies that have delivered excellence in the industry. Frost & Sullivan hopes that the recognition will encourage companies to continue their best in growing their business, and spur further achievements as ICT firms to continue to push the boundaries of excellence," he added.

The contenders for the Frost & Sullivan Asia-Pacific ICT Awards were evaluated on a variety of actual market performance indicators which include revenue growth, market share and growth in market share, leadership in product innovation, breadth of products and solutions, major customer acquisitions, and business and market strategy, amongst other category-specific criteria.
